

EPK-MPPlus License Fees

EPK-MPPlus is licensed based on the number of project managers, managers, executives, and other individuals who have access to the system.

The base licensing fee is \$9995 and includes access by up to 100 users. The license fee for each additional user beyond 100 is \$100.

Maintenance, support, and all upgrades are included for 1 year. After that, continued maintenance, support, and upgrades are available for 20% of the license fee originally paid.

1. Initial license purchase for each organization includes 8 hours of EPK Rapid Results web assistance from
